

THE ARTISTS AMONG US

Twenty Phillips Exeter Academy students are winners in this year's Scholastic Art and Writing Awards Showcase, an annual publication and virtual gallery that showcases nationally recognized works. The Showcase is a part of the Alliance for Young Artists and Writers, which tracks the creative development of teenagers across the country each year. A sample of works by Exonians appears on this page. To view an online slideshow, visit www.exeter.edu/NHScholastic09art.
