CLASS OF 1956 GETTYSBURG REUNION

A special mini-reunion for the class of 1956 took place in Gettysburg, PA, over the first weekend in November. Kim Kimball and Mike Tappan organized the event, which drew 21 classmates and 20 guests, including former principal Steve Kurtz '44, '46, '78 (Hon.) and PEA history teacher Rick Schubart '79 (Hon.). Rick, who grew up in Gettysburg and is a Civil War scholar, served as official tour guide. Classmates rekindled old friendships and forged new ones while learning some history during a lovely fall weekend.

Homecoming

Hundreds of alumni/ae returned to campus for Exeter's third Homecoming, held November 8. Cold temperatures and a brisk wind gave spectators good reason to seek refreshment and shelter at the all-community picnic in Thompson Cage, but they did not keep Exeter teams from performing well in their games against the school which must not be named. Girls varsity soccer won 3-0 and the football team capped an undefeated season with a 44-0 win (see the story on page 26). Varsity field hockey tied 1-1 in an overtime, and boys varsity soccer and varsity volleyball posted narrow losses of 0-1 and 2-3, respectively. While these teams battled the archrival, the girls and boys cross-country teams and the varsity water polo team each earned a New England Championship title at interscholastic tournaments.

CALL FOR NOMINATIONS

For more information about alumni/ae awards, including nominating instructions and forms and lists of past recipients, go to <http://phillips.exeter.edu/awards> or contact Harold Brown Jr. '74, director of alumni/ae affairs, at 20 Main Street, Exeter, NH 03833; tel: (603) 777-3264; email: hbrown@exeter.edu.

The awards committee of the Exeter trustees seeks nominations on a rolling basis for the Academy's two highest alumni/ae honors, the Founder's Day Award and the John Phillips Award.

The Founder's Day Award is given to an alumnus, alumna, faculty emeritus or emerita, retired staff member, parent or friend who has demonstrated exceptional service to the Academy. The service must be extraordinary—beyond what is regularly contributed by others doing similar service—and the nominee must still be living at the time of nomination. Duration of service may be of any length, but should probably be of five years or more. The recipient may receive the award only once and should not have previously received the John Phillips Award.

The John Phillips Award is given to an alumnus or alumna of the Academy, still living at the time of nomination, whose life demonstrates John Phillips' ideal of goodness and knowledge united in noble character and usefulness to mankind. The nominee should have contributed significantly to the welfare of community, country or humanity, beyond any volunteer service to the Academy.

Nomination letters detailing how the nominee meets each award criterion and, in the case of the John Phillips Award, any supporting documents, news articles, or other material should be sent to Harold Brown Jr. '74, director of alumni/ae affairs, Phillips Exeter Academy, 20 Main Street, Exeter, NH, 03833; email: hbrown@exeter.edu.
