

The "E Train" is back on track!!

The Golf Team played their 4th match of the season Wednesday with a strong 5-2 win to a pesky Tilton School team. Portsmouth Country Club was the site of the match. The weather was sunny and breezy and the players responded with their first home win.

Led by Anthony "2 Shoe's" DiLisio, who won his match shooting a bright 76, to win his point. The following players earned wins in their matches. Capt. Jank. 80, Jake "The Snake" Abrahams 82, Felipe "I-ron" Ocha and Sean "Canuck" Coleman.

The players enjoyed the home cooking of Portsmouth Country Club, playing long in the wind. But the players never gave in, coming from behind in two important matches to secure the victory. Also representing PEA was Austin "Tex" Cheng and Emily Gibadlo.

The next match is scheduled at Newport Country Club against seven top eastern private schools, Saturday, April 25th at noon. Newport CC is one of the five original clubs involved in the forming of the United States Golf Association. It has hosted many USGA events the past including The US Women's Open three years ago. – *Submitted by Coach Bailey*
