Conditions: Strong cross-tailwind, increasing chop. Due to wind not all races started on the line. Overcast, 55 degrees, 10+ NW wind.

Left at 10:45. Set up in Quinsigamond State Park. Racing began at 1:40 on 10 minute intervals. G1 was down by 1/2 length in middle 500m, then won a very close race with a terrific sprint. G1's rating as low as 31 in the body. B1, at 32-33, struggled to be competitive as Andover won easily. Andover won both second-boat races, with much higher ratings. JV crews did well in what was the first race for many novices.
