Left Exeter at 1:00. Races at 3:00, every 15 minutes. Conditions: 68 degrees, 10 mph SE quartering tailwind all afternoon. Impressive sweep by Exeter Girls, with G1 setting a new course record without being pushed. (old record was 4:48.1 by SPS in 2001) Exeter Boys showed significant improvement, with three solid wins. B1 and SPS traded the lead often with neither crew able to break away. SPS gained a deck lead before the bridge, and held it to the line. Now B&G 1,2,3 turn their attention to the New England Interschols next week on Quinsigamond.
