

Super Studio The Annual Senior Show
May 14 - June 7, 2015

3D printing meets the runway. Ceramic vessels morph into mythological beasts. Silkscreens deconstruct pop culture. Activity in the PEA art studios has exploded this year with making, experimenting, and collaborating. Nothing is off-limits. Join us for an infusion of color, texture, surprise and delight in **Super Studio**.

This annual exhibition celebrates the work of graduating seniors, and includes industrial design, painting, ceramics, fashion, printmaking, photography, and sculpture displays highlight PEA student accomplishments in the **Scholastic Art Awards** and the **National K-12 Ceramic Exhibition Awards**.

The opening reception for ***Super Studio*** promises to be a fun event and a great way to celebrate the creative accomplishments of the class of 2015. The reception will feature special performances by the Exeteras and In Essence, two of Exeter's a capella groups. In the gallery's workshop area, everyone is welcome to create a mood board or contribute to the collaborative mood boards on display. If you are feeling more dramatic, you can also participate in the ***Super Studio*** digital photo booth.
