

Exeter Summer

2019

DRESS CODE AND PACKING LIST

During Exeter Summer, students and faculty dress informally, but are expected to be well groomed and to show good taste in their choices of clothing during all required academic and administrative appointments. Summer temperatures normally average 75-90°F (24-32°C) with nights cooler than days. Casual clothes are usually worn to class and must meet the general guidelines below. For more formal occasions, such as religious services and the final banquet/dance appropriate dressier clothing is expected.

General Guidelines:

- All hemlines must be at least fingertip length.
- All clothing must be clean and in good repair (not torn, frayed or cut off).
- No hats, strapless tops, tops with straps less than two inches wide, or apparel that reveals the midriff, buttocks or chest.

Our students come from many different ethnic and cultural backgrounds, which in itself contributes to the Exeter Summer experience. If you are the owner of an ethnic costume or play a musical instrument from a different culture, please bring it with you and share your heritage with others (there will be a great opportunity to share your culture during our Cultural Awareness Day).

Each dorm room has a bed, dresser, desk, closet or wardrobe, lamp, chair and a wastebasket.
