

PHILLIPS EXETER ACADEMY STUDENT CLUB AND CAMPUS ORGANIZATION LISTING: 2017-2018

Academy Belly Dancing Society

It is the PEA traditional belly dancing team on campus.

American Culture Club

Boosting school spirit and community through tailgates and lawn games.

Animal Rights Club

A club devoted to discussing and taking action in animal rights and animal agriculture issues. We have a lot of ideas, and have already accomplished a lot over the past two years, such as hosting two Veg-Fests, holding a panel on Climate Action Day, and meeting with the biology teachers to ask for a dissection policy that would allow some students to have an alternative to dissections, which they just recently passed. During our club meeting, we hold discussions, plan our ideas and events, and write letters in support of animal rights related issues.

Anime Club

A club based around discussion, enjoyment, and recommendations of Japanese Animation.

Animation Club

Animation Club is a new club where students interested animation or art in general can work together to create and learn about animations. We will be working on both 2D and 3D animation.

ArchitExeter

Exeter's Architecture Club

Association of Communist Exonians

Come discuss capitalism, socialism, and communism over lunch. We invite capitalists, socialists, and communists of all stripes. Prominent speakers like Duke Professor Michael Hardt and Communist Party USA chairperson John Bachtell will be Skyping in to talk to us.

ASEAN (Association of Southeast Asian Nations)

The club is a support group for students who identify with any of the countries in the real world ASEAN, which includes Brunei Darussalam, Cambodia, Indonesia, Lao PDR, Malaysia, Myanmar, Philippines, Singapore, Thailand, and Viet Nam. However, you do not have to be Southeast Asian to join! We meet during dinner to discuss current events, politics, and culture in Southeast Asia. We also try to bring in Asian food for members. It is a low-commitment club.

Astronomy Club

We observe weekly on nights when it is clear. We will teach you how to operate the telescope, astrophotography, and we will be building a telescope by hand!

Aviation Club

A club where we talk about all things that fly. We will go over flight physics and aerodynamics, as well as talk about real-world aviation as it is in the present and in the past. We will also do special things like flight simulation, model building/design, and possibly some drone activities.

Ballroom Dance

We do ballroom dance, things like foxtrot and tango and cha cha. No dance experience necessary!

Baraka

Baraka is a low commitment conversation club that talks about topics pertaining to Islam on campus, nationally, and internationally. You do not have to practice Islam to attend, nor do you have to know about a lot about the religion.

Beat of Asia

We are an Asian Dance Group, open to anyone from any dancing background! We dance to songs by groups like BTS, EXO, and more!

Beekeeping Club

If you want, learn about bees and beekeeping, both through articles and discussion and through practical inspections at our on-campus hive, then this is the club for you! Bees are an integral part of our environment, and our goal is to help the community get to know these fascinating creatures. We are also planning a field trip this fall.

Biology Club

Biology Club is a gathering of students interested in understanding the inner workings of life through the lens of biology. At our meetings, we either have a discussion, lead a lab, or meet with an outside speaker or professor to learn more about the facets of the subject that captivate us. In addition, students who are interested train for the USA Biology Olympiad during the latter part of winter term.

Bridge Club

Play bridge, eat pizza, have fun!

Caderas

A club for students who want to learn how to dance to Latino/Hispanic music. Salsa, reggaeton, champeta, bachata, and much more. No experience necessary.

CARES

The stress, anxiety, and need for control that Exonians encounter is unlike many other places, and it's easy to isolate ourselves and believe we'll find relief in working out more, limiting what we're eating, looking a certain way, weighing a certain amount, etc. These struggles are not easy to communicate, which is where CARES comes in. CARES is a new support group for those struggling with disordered eating, unhealthy eating/exercising habits or head space, or low self-esteem

Chemistry Club

We meet every week to play with fire, liquid nitrogen, explosions, and more! Sign up to learn some chemistry and eat ice cream freshly made with some liquid nitrogen.

Chess Club

We play many variations of chess including regular chess, blitz, bughouse, and even athletic chess! Players of all skill levels are welcome.

Chinese Student Organization (CSO)

A community for Chinese or Chinese-American students and for people interested in learning about Chinese culture.

Christian Fellowship

Christian Fellowship is a club that partakes in fellowship and discussion. Dinner is provided. Come as you are!

October 13, 2017

Contemporary Dance Club

Have you ever done contemporary dance? Have you ever seen Maddie Ziegler's contemporary solo on Dance Moms and wanted to try it? Contemporary dance combines elements of several dance genres including modern, jazz, lyrical and classical ballet. It draws on the idea that dancers should have freedom of movement, allowing their bodies to express their innermost feelings.

Council for Equity and Social Justice

We work to promote inclusion and diversity at Exeter. This year, we want to create an Exeter version of Andover's Blue Book, which is a collection of writing about what it is like to be _____ at Andover.

Coup D'état

Coup D'état is government simulation game where we vote on bills and pass laws. It is not totally serious.

Daniel Webster Debate Society

Learn and improve your public speaking skills, and compete at parliamentary and policy debate tournaments throughout the year.

Democracy of Sound (DOS)

A performance art club that constructs installations and explores music and art.

Divest Exeter

This is an environmental activist group working with the administration to remove financial support from the fossil fuel industry and reallocate the school's investments into renewable energy companies. Divest Exeter is made up of many committees. From artistic/social media workers to hardworking researchers, the committees range in expected participation, so if you are interested but do not have a lot of free time on your hands, you can still help! If you would like to learn more about finances, communication, leadership and the environment, contact club heads.

DORSAL Marine Biology Club

We meet to discuss marine biology and conservation topics. We plan to take trips to the Boston aquarium or the beach throughout the year.

DRAMAT

Dramat is a student-run theater group.

Dutch Culture Club

Celebrate the culture of the Netherlands! Come eat good food (lots of licorice and pancakes and stropwafles of course) and watch Dutch movies, listen to Dutch music, and learn all about the Dutch traditions, language, and culture! We will have lots of fun events along with our usual meetings such as pancake night, Dutch dinner, and a bike trip! Come hang out!

Echappe

We are a ballet club! We meet once a week for technique and to learn choreography for our performances (once a term).

Economics Club

We are a discussion-based club where we read and talk about current/past economic issues. Past topics have included Venezuelan economy, Puerto Rican debt crisis, '08 recession, and Icelandic financial crisis.

Engineering Club

In previous years, we have built a hovercraft, potato cannons, RC planes, and catapults. We will be working on individual and group projects this year, and we have access to a laser cutter and 3D printer.

Environmental Action Committee

We host events and campaigns to help Exeter become a greener community.

Environmental Proctors

Dorm Environmental Proctors help the dorms to be greener spaces by promoting less electricity use, recycling and conducting energy audits.

Ethics Forum

Ethics Forum meets every Sunday to discuss cases with moral dilemmas, applying different moral philosophies and reasoning to find the best solution. We also compete in the National High School Ethics Bowl, which will give the club a chance to apply the things we discuss to an actual debate.

Ex-A-Sketch

Ex-A-Sketch is a sketch comedy short film club that provides Exonians an outlet to make, film, and watch short skits about Exeter.

Exeter Association of Rock

Club for musicians and music enthusiasts with a focus on performance.

Exeter Backgammon Society

We play backgammon.

Exeter Business Club

We hold weekly meetings where we discuss business principles, invite speakers, and prepare for the FBLA State and National competitions.

Exeter Cribbage Crew

Exeter Cribbage Crew is a delightful club in which you discover the wonders of the hard-core 17th Century English tabletop card game while forming lifelong bonds with your fellow classmates. Snacks (often baby carrots!) will supplement our snazzy cribbage adventures, and everyone is welcome to join! You should join us--you may just discover that the submariners and 17th century Englishmen were onto something good!

Exeter Culinary Association

A great club to hone your cooking skills and enjoy delicious meals in good company!

Exeter Fitness

We are a club encouraging students to hit the gym together, and make healthy choices at Elm afterwards.

Exeter Investigation Society

We study forensics science through lab work, case studies and mock scenarios! We also visit relevant departments like the police station and office of chief medical examiner. If you are 18 by spring term, we are planning to watch an autopsy as well. Come join us, no prior knowledge required!

Exeter Investment Association

We will teach you everything you need to know to invest in the stock market. No previous experience required. Winter and spring term we will compete in Stock Market competitions.

Exeter Jewish Community

The Jewish club that meets weekly for a home cooked Shabbat dinner. We also offer religious services for those interested in observing the Jewish holidays. EJC welcomes people no matter their religious and spiritual affiliation to join in on the festivities.

Exeter Kayaking Club

A fun way for Exonians of all levels of kayaking experience to get outside and explore waterways in the area.

Exeter Language Learning Club

Exonians opportunity to learn a new language as a club.

Exeter Launch Club powered by MIT

Become an entrepreneur! We will help you create your own business, with the chance to compete at MIT! With training and resources from MIT Launch about marketing, finance, pricing, and more, we will teach you the fundamentals of entrepreneurship! No experience is required.

Exeter Neuroscience Club

Come learn about neuroscience with us! Starting from the basics of brain anatomy, we move on to exploring research journals and papers according to club members' interests. We are planning to have Skype-ins with researchers, as well as taking part in the brain bee challenge. No prior knowledge required; come and have fun!

Exeter Off-Planet Society

We believe that humanity is on the cusp of one of the greatest leaps in history: exploiting the off-Earth realm. The potential for human expansion, scientific advance, new business opportunities, and other yet-unknown avenues is huge. This revolution is being led by companies in the private sector. Our mission is to introduce, educate, and inspire our generation to take full advantage of this revolution. If you like rockets, business, space, or Elon Musk, you will love the Exeter Off-Planet Society.

Exeter Pinoy Society

Pinoy Society is mainly a support group for Filipino students. However, many of our current members and even one of our founders and co-heads are non-Filipino! We meet for dinner weekly. Sometimes we talk about the Philippines' culture and current events, and what it means to identify as Asian. This year we will be making halo halo, a well-known and craved Filipino dessert, which translates from Tagalog to English as "mix mix."

Exeter Pipe Band

To practice, learn, and perform highland music together!

Exeter Political Union

Exeter Political Union is Exeter's bipartisan political organization. We collaborate with other political organizations and host events throughout the year.

Exeter Screening Club

A club where we screen movies and occasionally Skype with directors for Q and A sessions.

Exeter Shop Club

Exeter Shop Club is for students who want to get their hands dirty. Throughout the year, we will show you how to use a variety of power tools and teach you the essential woodworking skills through different projects. No experience required. Our main project will be designing and constructing derby cars that we will race at an organized event on campus. Throughout the process, you will learn building techniques and gain experience in a shop environment.

Exonians Against Sexual Assault

Works with faculty, administration, and students to foster positive social change on campus regarding issues like sexual assault and harassment, among others.

Feminist Union

The Feminist Union (AKA Fem Club) hosts weekly discussions, and periodic events such as panels and movie nights. We welcome everyone who is interested in learning more about feminism to join us!

French Club

French Club meetings are a space where one can get more in touch with French culture. We will listen to music, watch films, and most importantly, eat French food! No prior speaking experience is needed, but those who seek practice will find it here.

Gender and Sexuality Alliance

Gender and Sexuality Alliance (GSA) is club that talks about anything regarding the LGBTQIA+ Community. GSA is open to everyone.

GenEx

GenEx is a support system for first-generation Exonians that aims to support first-generation and low-income students. We define first-generation as first-generation American and/or whose parents do not have a degree from a four-year college or university. While many first-generation students are also low-income, the term includes a wide variety of socioeconomic, racial, and geographic backgrounds.

German Club

A group that meets for events that pertain to German culture. We suggest that people join this club whether they take the language or not. We have events where we offer cultural foods, and speak both English and German.

Girls Who Code

Girls Who Code is a club that teaches people how to code. We will be making websites and learning multiple languages! Work on projects and learn new skills!

Global Citizens Initiative

We want to spread global connectivity on campus! We are currently working with a group of students in Jordan and skyping them and writing to them. Other plans in the future include cultural food events, documentaries, speakers, etc.! Sign up to learn more!

Go Club

A club where play Go, the board game.

Graphic Novelists Guild

We are a club that reads a variety of comics, and graphic novels. We discuss things about them such as characters, comparing storylines, etc.

Guitar Club

We are a new club looking to gather PEA guitarists to share each other's talent and jam together.

Gun Safety Club

A club where students can come to learn about gun safety and listen to professionals talk about their experiences.

How to Harkness

We work on our Harkness skills together. It is a club for those who need to work on their skills and those who want to help others excel at the table.

Illuminosity

We are a performance club that does gymnastics, fire-dancing, martial arts, and poi. No experience necessary!

Imani

Co-ed, hip-hop dance team.

In Motion

A co-ed hip-hop dance group, which aims to perform three times a year and try many types of choreography within the hip-hop genre.

Interfaith Conversation Club

Discussion of religion on campus and around the world.

Internet Studies Club

Join Internet Studies Club in taking apart and discussing the role 28 years' worth of the Internet has played on our culture and media! Discussion topics include 4chan, social networking, fanfiction, podcasts, soundcloud, hacktivism, video streaming, web-politics (such as net neutrality and intellectual property laws) and other internet-specific phenomena. Overall, we aim to be a free-spirited club, where new proposals for activities are welcomed and encouraged!

Kirtland Society (Latin Club)

Kirtland Society incorporates all parts of the Classics, including Roman and Greek history, mythology, culture, language, and literature. We meet and do fun activities, such as watching Hercules and Ben-Hur and playing Classics games or a fun round of Certamen. We train for our three major Certamen competitions at Harvard, Yale, and Boston Latin School.

Linguistics Society

We chat about the disciplines of linguistics, the scientific study of languages. No prior knowledge needed! If you have ever been interested in grammar, or why different people talk differently, or creating your own language, this is the club for you.

Math Club

We meet to solve cool math problems! If you are interested in growing as a mathematical problem solver or you want to learn more about the beauty of math outside the classroom, then we can find a place for you (you do not have to be good at math or in a high level at all).

Matter Magazine

Exeter's Science Magazine. Exeter's Best-Looking Magazine. Exeter's Only Magazine Printed On Glossy Paper Magazine.

Metal Arts and Sculpturing Club

We create 3D artwork and will use the design lab in the science center. We will enter different art and architecture competitions throughout the year.

Mock Trial

In Mock Trial, you will learn how to build and argue a case, the principles case law, the rules of evidence, and you will gain valuable public speaking and “on-your-feet-thinking” experience. Join today to be a member of one of our three, highly competitive teams.

Model UN

Represent different countries, discuss global issues, and learn more about international relations.

Modern Medicine Club

We meet weekly to discuss the latest news in the medical field! We also offer CPR Certification and fun activities like Jeopardy!

Multi-Racial Exonian Society

A discussion-based club that focuses on issues surrounding multi-racial people.

Muslim Student Association

Here at Phillips Exeter Academy our MSA provides education on Islam while giving our students a sense of community and safe space for religious services.

Outkast

All male step team.

PEAN

We are PEA's Yearbook club. We take photos, make pages, and edit the book to produce a 350+ page yearbook by the end of the year. No experience in photography or photo-editing necessary!

PEAudiobooks

We will be using a website called "Librivox" (<https://librivox.org>) as a platform to post audiobook podcasts. Members are welcomed to record books of any languages, forms, or subjects with the help of Exeter's language teachers using the recording facilities on campus. The podcasts on Librivox will be listened to book lovers and language learners all around the world, some unable to afford the expensive books. There is little commitment involved, and no prior experience is required.

Peer Tutoring

We meet every weeknight in order to help our fellow students.

Pendulum

Pendulum is the art and literary journal at Exeter. We feature writing and artwork from Exonians and publish two times a year.

Philosophy Club

Have you ever wondered the meaning of life? Are you interested in finding the inherent connection among vastly different subjects? Do you want to figure out the philosophical rules behind the seemingly complicated events happening everyday in our life? We will be having discussions on both classic and trendy topics; sharing and discussing books related to

October 13, 2017

philosophy of your choice; and attending the annual HYPE (Hosting Young Philosophy Enthusiasts) meeting in UNH, joining challenging Socratic discussions with peers from other schools in the state.

Physics Club

We meet weekly to talk about fascinating physics phenomena, from relativity to the humble tippe top! There are also opportunities outside of regular meetings to participate in competitions like $F=ma$ and the research-style USA Young Physicists Tournament.

PRECISION

All female step team.

Psychology Club

We meet to discuss any psychology topic of your choice (criminal, social, behavioral, moral, personality, etc.)! We also plan to watch movies, participate in online research, and do our own experiments! Come join us and have fun learning psychology!

Puzzle Club

We solve puzzles (word puzzles, code puzzles, etc.) and occasionally go to puzzle hunts.

Quiz Bowl

We meet every week to play both serious and trash (pop culture) question packets. We are one of the meme-iest clubs on campus.

Reel Life Productions

As PEA's film club, Reel Life Productions give students a platform to become creative participants in digital media rather than passive consumers of it. There is a place for everyone, whether it is scriptwriting, storyboarding, studio & location production shooting, special effects, or editing.

Rock Climbing Club

Go to rock climbing MetroRock in Newburyport, MA.

Rocketry Club

Discussion/Theoretical work in aerospace engineering.

Russian Club

Learn about Russian history and culture and enjoy Russian snacks.

Science Bowl

Science Bowl meets every week to practice questions in Physics, Chemistry, Biology, Math, Earth and Space, and Energy. We compete at regionals in the spring.

Sculpturing and Metal Arts Club

Interested in learning more about 3D design with hands on experience? We will look into a variety of topics - architecture, metal art, and sculpturing - and enter our work in high school competitions. No experience necessary!

Shakti

Shakti is a fun Bollywood dance group on campus! We are here to express the culture of India through our dance and incorporate a few American twists to it. No dance experience is necessary. We perform at the dance assembly and it is very casual and exciting! Come join us at the Davis Dance Center!

October 13, 2017

Short Shot Society

Cinematic and fictional short film club. Here to make films and produce more award winning content. Learn how to create your own beautiful world!

Spanish Club

Culture/language club that focuses on introducing different cultures in the Spanish speaking diaspora, and discussing the linguistics of Spanish.

Spikeball Club

If you like spikeball, we can provide nets, and get you playing more spike!

Student Council

Student Council is the voice of the students on campus and works to make changes and organize events for the student body.

Subcontinent Society

Affinity Group for South Asians to socialize and participate in fun cultural activities (Food, Bollywood, Cricket, etc.).

SWYFT

Student run delivery business.

Tea Club

A social group that meets and drinks tea.

The Exeter Lookbook

The goal of The Exeter Lookbook is to create a fashion publication that will change the way Exonians engage with fashion, beauty, fitness, and decor, on and off campus.

The Exonian

Student newspaper.

The Nasty Woman

The Nasty Woman is an online publication focused on global women's issues. We welcome anyone who is interested in writing for us (articles, short stories, poetry, etc.) to sign up!

The Phillips Exeter Asian

Publication focused on sharing Asian stories and experiences.

Tour Guides

Tour Guides at Exeter work with the Admissions office to give campus tours to prospective students throughout the year. New tour guides receive training during fall term. Students may sign up for as many or as few tours as they would like! You choose your own level of commitment and your own schedule.

U.K.E (Ukulele Klub of Exeter)

We will be doing performances and coffeehouses for all sorts of music/instruments! This will include original songs, covers, guitar, ukulele, singing, etc. We will meet every so often to practice and then get ready for the performance, which will be a few times a term.

VERTEX Robotics Club

We build robots. This year we plan to build underwater ROVs and do projects with Arduino kits.

WOKE

Woke is a club looking to educate people of all affinities to the stories and history of women of color. Everyone is welcome! We have active discussions, we listen to music, and we watch movies.

World PEAcEs

Bonding through international arts and literature.

Writers in action

Editing and revising academic papers, sharing/getting feedback on any type of freeform writing as well.

Young Female Entrepreneurs

Young Female Entrepreneurs (YFE) at Exeter promotes bold business leadership in young women, in a field where females are traditionally underrepresented. By encouraging innovative and iconoclastic thinking, YFE hopes to cultivate entrepreneurship and focus on gender equality. Students who are members of YFE will be better prepared to advance their careers in whichever field they ultimately choose. The club is open to all students, regardless of gender. Since this may be the first experience with entrepreneurship for many club members, YFE activities will include weekly presentations, discussion meetings, and even speaking sessions from prominent female entrepreneurs. Other activities include participation in extracurricular business competitions and publication of a weekly blog with contributions from different members.
