

## Math 1 Changes 2019-2020

Note that the numbers below refer to the 2019–2020 edition, unless followed by a ('18) in which case they refer to the 2018–2019 edition.

|          |  |           |   |
|----------|--|-----------|---|
| 10       | fixed answer   | 177       | added another answer                                |
| #34('18) | combined with #35('18), moved to #120  | 213       | reworded  |
| #35('18) | combined with #34('18), moved to #120  | 228       | fixed answer  |
| #36('18) | moved to 121   | 270       | slight rewording                                    |
| 60       | added to the answer  | 285       | fixed answer  |
| 66       | deleted “3 feet in a yard”   | 292       | removed varies directly, added proportional         |
| 85       | put diagrams in answer   | 299       | slight rewording                                    |
| 88       | put diagrams in answer   | 365       | updated answer                                      |
| 93       | slight rewording, added to answer  | 446       | fixed answer  |
| 111      | separated #120('18) into two problems, see #112, moved earlier, adjusted answer                | 494       | added to answer                                     |
| 112      | was part of #120('18), moved earlier, added answer   | 508       | slight rewording (a)                                |
| 114      | removed direct variation, separated #115('18) into two problems #114 and #115, adjusted answer | 560       | changed name  |
| 115      | was part of #115('18), added answer  | 591       | rewritten, was <i>Golf Math I</i> , updated answer  |
| 120      | was #34('18) and #35('18), combined, adjusted answer   | 606       | rewritten, was <i>Golf Math II</i> , updated answer |
| 121      | was #36('18), moved  | 618       | slight rewording                                    |
| 125      | changed “rate” to “speed”  | 639       | slight rewording (b)                                |
| 126      | italicized “average speed”   | #641('18) | deleted <i>Golf Math III</i>                        |
| 130      | removed direct variation added proportional, added time units                                  | 663       | changed letters and answer                          |
| 134      | fixed answer   | 668       | reworded slightly                                   |
| 136      | adjusted wording, added (c)  | 670       | fixed typos, changed name                           |
| 143      | added answer   | 702       | changed time, fixed answer, was #649('18)           |
| 154      | removed direct variation, added proportional relationship                                      | 703       | added to answer (e)                                 |
| 162      | removed direct variation, added proportional   | 728       | fixed typo in answer                                |
| 163      | removed direct variation, added proportional   | 751       | added to answer                                     |
| 165      | removed direct variation, added proportional   | 773       | reworded, adjusted answer                           |
| 166      | removed direct variation, added proportional   | 788       | adjusted spacing, fixed answer typo                 |
|          |  | 796       | fixed answer (c)                                    |
|          |  | 815       | fixed typo  |
|          |  | 832       | reworded, adjusted answer                           |
|          |  | 839       | slight rewording (b)                                |
|          |  | 852       | slight rewording                                    |
|          |  | 869       | adjusted diagram                                    |
|          |  | p. 104    | updated references for “direct variation”           |
|          |  | p. 108    | added “proportional”                                |
|          |  | p. 108    | added “proportionality constant”                    |
|          |  | p. 111    | added “varies directly”                             |
